Dear Sir or Madam,

This letter is provided at the request of Sumayyah Ahmed who has requested that I serve as a reference on their behalf. It is my understanding that they have an opportunity to be accepted for an internship with your organization.

I became acquainted with Sumayyah during the Spring 2024 semester as a student in my CIS 1300 Web Development Software course where they earned an A and in my CIS 1310 HTML & CSS course during the Fall 2022 semester where they earned a C. The coursework is demanding, combining heavy reading with what I consider an extensive amount of new terminology and considerable practical work. As of the end of the Fall 2023 semester, Sumayyah has a GPA of 3.4 through 88 credits. Sumayyah was prompt in submission of assignments and their active participation in group work was welcomed.

In conclusion, I would recommend serious consideration of Sumayyah Ahmed for your internship opportunity.

Respectfully submitted,

Michael J. Losacco
